KANSAS CULTURAL HERITAGE EMERGENCY RESOURCES NETWORK

KCHERN

The Network aids libraries, museums, his-
torical societies and any cultural heritage
institution in preparing for and recovering
from various disasters by maintaining an
electronic statewide resource guide on the
web and a listserv to facilitate communica-
tion.

Let's all work together in protecting Kan-
sas's irreplaceable cultural resources from
harm. **Want to join us? Send an e-mail to
